The 3rd International Conference
on
Mathematical Analysis
in
Economic Theory

organized by

Research Center for Mathematical Economics

Analytical Foundations of Economic Theory

Aspects of Equilibrium Theory

Dynamic Macro-economic Theory

Mathematical Finance

Game Theory

Organizing Committee
Chairman: Kunio Kawamata (Keio University)

Hideyuki Adachi (University of Marketing and Distribution Sciences)
Takao Fujimoto (Kagawa University)
Masao Fukuoka (Nasu University)
Norimichi Hirano (Yokohama National University)
Tatsuro Ichiishi (Ohio State University)
Kiyosi Itô (Kyoto University)
Yuji Ito (Tokai University)
Seiichi Iwamoto (Kyushu University)
Kazuya Kamiya (University of Tokyo)
Norio Kikuchi (Keio University)
Hidetoshi Komiya (Keio University)
Shigeo Kusuoka (University of Tokyo)
Toru Maruyama (Keio University)
Hiroshi Matano (University of Tokyo)
Tadashi Minagawa (Nagoya University)
Ryozo Miura (Hitotsubashi University)
Isao Mutoh (National Defense Academy)
Shigeo Muto (Tokyo Institute of Technology)
Mikio Nakayama (Keio University)
Kazuo Nishimura (Kyoto University)
Shinichi Suda (Keio University)
Yoichiro Takahashi (Kyoto University)
Shin-Ichi Takekuma (Hitotsubashi University)
Akira Yamazaki (Hitotsubashi University)
Makoto Yano (Keio University)

Co-sponsor: Keio Economic Society
The 21st Century COE Program at Keio Integrative Mathematical Sciences
The Oak Society

Place: Keio University (Mita Campus), Tokyo, Japan

Reception: December 21, 2004
Tsunamachi Mitsui Club

Research Center for Mathematical Economics
c/o T. Maruyama
Department of Economics, Keio University
2-15-45 Mita, Minato-ku, Tokyo
108-8345 Japan
Phone: +81-3-3453-4511

20-22
Mon   Wed
December
2004
